FOR WOMAN

NATUR 2

Nourishing Vaginal Cream

Natur 2 is the ideal product for the vaginal area.

Created by Guna, a leading Italian company in Homeopathy, Natur 2 is based on the principles of the ancient Science of Homeopathy for its use in the vaginal area. The product has unique properties. It is a moisturizing cream with a light texture, enriched with deeply studied principles to soften and hydrate the vaginal tissues.

Particularly, the embryo extracts, specifically selected and processed according to the principles of Homeopathy, help to improve the moisturization and regeneration of the area.

Natur 2 enhances the moisture and the tone of the vaginal area, giving relief to excessive dryness.

To use: apply locally morning and evening with or without applicator.

COMPONENTS

Aqua, Ethylhexyl Palmitate, Hydrolyzed Soy Protein, Polyacrylamide, C13-14 Isoparaffin, Laureth-7, Phenoxyethanol, Propylene Glycol, Methylparaben, Ethylparaben, Propylparaben, Imidazolidinylurea, Embryo Extract, Placental Protein.

KEY INGREDIENTS

Hydrolyzed Soy Protein

Rich in phytoestrogen may compensate for the estrogen deficiency and alleviate associated disorders.

Embryo Extract

Revitalises the vaginal tissue by improving vascularization

Placental Protein

Stimulates peripheral blood flow, with a trophic action on the tissue

- Cream: 75ml tube with applicator

NATUR VERY SPECIAL COSMETICS FOR WOMAN

NATUR is the new range created especially for women by **Guna** of Milan, the market leader in **Homeopathic Medicines**.

The range includes 4 cosmetic creams that offer a simple and effective solution to common aesthetic problems affecting the gynaecological sphere, the breasts, and premature aging of the face and legs.

The composition of the NATUR products combines current knowledge about women's psycho-emotional dynamics, which often highlight the negative effects of daily stress on the skin, with the ancient knowledge of Homeopathy, which uses principles of vegetable, mineral and biochemical origin according to its own techniques - creating a synergy of action that is pioneering in the field of cosmetics.

NATUR 3

Nourishing Breast Cream

Natur 3 is the ideal cosmetic for the breast.

Created by Guna, a leading Italian company in Homeopathy, Natur 3 is based on the principles of the ancient Science of Homeopathy giving the product unique properties.

It is a moisturizing cream with a light texture and a pleasant silky touch, enriched with plant extracts specifically selected to act on the breast tissues according to the dosage and production principles of Homeopathy.

Natur 3 helps to improve the firmness and tone of the breast, while reducing the thickness of the fibrous tissues and releasing mammary tension.

To use: apply gently on the breast by circular massage morning and evening.
